 - Determined by the Legislature
- **KPB Revenue**
 - Determined by the Borough Assembly

EXPENDITURES FY20

- Additional Needs and Requests
- Reductions

State of Alaska Revenue

FY19 - SB 142

Senate Bill (SB) 142 was passed allocating a one-time grant for K-12 education of \$20 million dollars to be disbursed to school districts based on Adjusted Daily Membership (ADM).

KPBSD was estimated to receive \$1.4 million in one-time revenue for FY19 based on the projected enrollment.

State of Alaska Revenue

FY20 – HB 287 (More \$?)

House Bill (HB) 287 also passed the Twenty-Ninth Alaska State Legislature with language that allocated \$30 Million in one-time funding for K-12 education in FY20. This would be \$10 Million more than the \$20 Million in one-time funding passed for FY19. If our enrollment stayed steady, it could mean approximately \$702,576 in new one-time funds for FY20 beyond the FY19 one-time funding. This would provide approximately \$2.1 million for FY20.

* Sec. 4. DEPARTMENT OF EDUCATION AND EARLY DEVELOPMENT. The sum of \$30,000,000 is appropriated from the general fund to the Department of Education and Early Development to be distributed as grants to school districts according to the average daily membership for each district adjusted under AS 14.17.410(b)(1)(A) - (D) for the fiscal year ending June 30, 2020.

However.....

State of Alaska Revenue

FY20 – HB 287 Contingency Clause (Less \$?)

* Sec. 7. CONTINGENCY. The appropriations made in secs. 4 and 5(c) and (d) of this Act are contingent on passage by the Thirtieth Alaska State Legislature and enactment into law of a version of Senate Bill 26.

Therefore, what this means is that the next legislature, the Thirtieth Alaska State Legislature, has to pass the bill as well before it is funded. The last time future school funding was passed with this type of contingency language, it was not passed by the subsequent legislature. This could mean that not only would we not get the additional \$700 for FY20; we would also not get the \$1,405,152 we are currently scheduled to receive in FY19.

Kenai Peninsula Borough (KPB) Revenue Room to the Cap (More \$?)

FY19 Maximum Support Allowable	\$52,119,378
FY19 Budgeted KPB Support	<u>\$49,738,432</u>
Possible Additional Funding From KPB	\$ 2,380,946

Kenai Peninsula Borough (KPB) Revenue Projected Deficit FY20 (Less \$?)

KPB Projected FY20 Budget Deficit (\$2,300,000)

Will KPB reduce KPBSD Support for FY20?

Sales tax? More revenues?

KPBSD Expenditures FY20

Are there additional students services that need to be added to the budget?

Is it time to utilize expenditure reductions previously considered, but not implemented?
