Dear Chapman Families and Community,

We are excited to once again be hosting this important community event, and look forward to a safe and enjoyable evening this coming Friday, October 15th, from 6-8 PM.

If you do have a medical condition preventing you from wearing a mask, the District ask that you provide medical documentation stating your inability to wear a mask. When presented with this information, the school will keep a copy on file for our records and accept this medical exemption without exception.
