## Chapman Eagle Chronicles

### Principal's Desk

Greetings Chapman Families,

I know its cliché, but hasn't the year gone by fast? Here we are at the start of December, with the holiday season just around the corner. The school year is almost half over, and A LOT has been accomplished. All of which gets me thinking about teamwork.

Teams are indispensable for accomplishing a lot. We just had a successful basketball season wrap up, and the success wouldn't have been possible without all the diverse parts working together as a cohesive whole. I am thankful that the staff and students here know how to pitch in as a cohesive whole and get a cornucopia of success in academics, sports, and other realms.

Somewhere along the line I picked up a saying that: *If you want to go fast, go alone. If you want to go far, travel together and work as a team.*

Nurturing the growth of students in academics, sports, and life is all about going far, not fast. As a team, we work together to complement each other's strengths and growth areas. But we value every member of the team, and we strive to put each person's unique talents and abilities to good use. I am thankful for the Chapman School that continues to be supported by the parents, student, staff, and community that all pulls together as a team. If you'd like to volunteer, sub, or find a way to get involved, please reach out to myself or Carrara to join the team!

## Veteran Assembly

Chapman was lucky enough to have the Veterans come to our school for an assembly. They presented us with a flag folding and history.

Dear Parents:

We are proud to announce that we have chosen **POLAR PALS GIFT SHOP™** for our Children's Holiday Gift Store this year.

**POLAR PALS GIFT SHOP™** will give your children the opportunity to shop for high quality gifts for friends and family in the secure atmosphere of our school. **POLAR PALS GIFT SHOP™** program provides our children with an opportunity to make real life shopping decisions...plus they learn that giving is as important as receiving.

Gift items start at less than \$1.00, with most in the \$1.00 to \$5.00 range. We are sending this notice home now for two reasons:

1. To give those children who would prefer to purchase their gifts with their own money, enough time to earn that money through chores, etc.
2. To ask for volunteer parents and/or grandparents to help us run the shop. If you are interested in helping, please call the school.
