Things to bring to this Solstice Celebration:

- An **apple with a short candle** in it, secured with tinfoil in the core so it is stable. It helps also to cut the bottom of the apple flat so it can sit flat. Bring a apple candle for everyone in your family who would like to walk the Solstice Spiral . (Some apple candle holders will be available for those without!!)
- **Wonder, joy, and reverence**

**Soup and bread to follow spiral walk!**
