Agenda:

- a. Charter Renewal/Annual Review: Timeline started in August- one page notification that we intend to renew was completed and submitted to the district, around the 2nd week of July. Kari Dendeurent offered to look over our renewal for edits before the final draft is submitted. Kyle thinks that the sooner we can get it to her, the better. The renewal is mostly complete; needs a few appendices updated/finished and then it will be done
- b. Stakeholder Meeting: Kay completed the stakeholder meetings with kids at the end of the year and they went great! She was able to finalize the document, and create an action plan for the next steps. One of which is a clear and transparent academic support system, and continuing to work / address the One Campus Plan. APC discussed wanting to incorporate the information somehow into the Charter renewal, as well as sharing with parents. Posters at school? How can we systemize getting this information from parents/kids more to check in more frequently?
- c. PLP/Financial Plan/Excess Funds: Kyle purchased all of the approved items, and the big yurt will be complete in August/September. Still working to see if we need a permit to put up the big yurt- if so, we will decide if that is something we want to do this year, or wait to erect it until we have a final place for it.
- d. APC Onboarding: APC decided to have an extra meeting in September for new and returning APC members. This will go over the important documents that one needs to be aware of when serving on the APC. We will read all of the documents together and discuss. This meeting has been set for **September 10th from 330-5 at BFW in Megan's room.**
- e. APC Transitions: Irene will send out an email to all APC members to discuss upcoming officer election necessity. Irene (secretary) and Anna (chair) will both be stepping off of the APC once a transition into the school year is complete. Irene will be staying on until September, maybe October and Anna would like to be done by January at the very latest. Irene has agreed to mentor the next secretary, and Anna the next Chair. The email will include roles and responsibilities for each committee member and we will discuss more in person with all members.
- f. Kyle encouraged all APC members and families to fill out the Free and Reduced Lunch program form. It helps the district to understand the Title needs of each school. We lost Title funding 2 years ago, and got it back last year. We want to keep that additional funding, and we do that by having everyone fill out the form. Please encourage everyone to do so!
- g. Back to School: There will be a meet your teacher event at the schools from 12-2 the Tuesday the day before school. There will also be a back to school night, mostly geared for parents, will be Monday the 17th before school. LFW will be at 4pm, and BFW will be at 530.

- h. Communication: The district purchased “Parent Square” for the entire district starting this year. This communication platform replaces Remind, which was used at multiple schools recently.

Next meeting to be: **September 3rd, from 330-5 at BFW in Megan’s room**

Motion to adjourn at 3:25 pm
