Dear Parent(s)/Legal Guardian,

In Alaska, in accordance with Every Student Succeeds Act or ESSA of 2015 (Section 1112 (e)(1)(A-B), at the beginning of the school year all schools that receive Title IA funds must notify parents of each student that they have a right to know the professional qualifications of their children's teacher(s). This letter is to inform you of your right to request information regarding the professional qualifications of the student's classroom teachers, including at a minimum the following about each of your child's classroom teachers and paraprofessionals:

- Whether the teacher has met State qualifications for grade levels and subject areas in which the teacher provides instruction;
- Whether the teacher is teaching under emergency or other professional status that the State has waived;
- Whether the teacher is teaching in the field of discipline of the certification of the teacher; and
- Whether the child is provided services by paraprofessionals and if so their qualifications.

If you would like to receive specific information about your child's teacher or paraprofessional, please contact Christopher Brown, your school's principal.

KPBSD is committed to the success of your child. We appreciate your partnership and support.

Sincerely,

Christopher Brown
Principal, Homer Flex
