Note to parents about class pets:

The first week of school was a great one!

We are welcoming new students, a new instructional tutor, and new class pets!

Mrs. Lindquist will have Cornelius the Corn Snake in her classroom, and Mrs. Barron will have Coconut the Leopard Gecko.

There are plans to allow the students to learn to handle class pets responsibly, and to participate in/observe feeding (meal worms for coconut and baby mice for Cornelius).

If you are not comfortable with your student participating in this, please reach out, and we can make other arrangements.

Cooper Landing School Updates

We are into our second week of school and the students are settling in and doing well. It took many volunteers days to get the school ready and we thank each and every one of them! We could not have done it without you!

We are still in need of a custodian. The position is 4 hours per day, 5 days per week. The pay is \$19.01 per hour. If you know of anyone who may be interested, please pass on this information. It puts a lot of stress on staff to try to maintain a clean, organized school.

The Open House was well-attended and important information was shared by our principal and teachers. If you have any questions about what was discussed, please reach out to one of the staff.

There will be no school on Monday, September 4 for the Labor Day holiday.
