Note to Parents about Hot Lunch:

We are so excited to welcome Dani Koschak as our new Food Service Manager. The students watched a pallet of food get delivered and put away today, so they are hungry with anticipation for hot lunch at Moose Pass School again!

Lunches are \$3.50 for full pay students. Parents can add money to their students accounts through Power School. Please feel free to call the school if you need any help navigating that system.

COOPER LANDING SCHOOL UPDATES

We are into our second week of school and the students are settling in and doing well. It took many volunteers days to get the school ready and we thank each and every one of them! We could not have done it without you!

We are still in need of a custodian. The position is 4 hours per day, 5 days per week. The pay is \$19.01 per hour. If you know of anyone who may be interested, please pass on this information. It puts a lot of stress on staff to try to maintain a clean, organized school.

The Open House was well-attended and important information was shared by our principal and teachers. If you have any questions about what was discussed, please reach out to one of the staff.

There will be no school on Monday, September 4 for the Labor Day holiday.

HOPE SCHOOL HAPPENINGS

We are pros! This has been an awesome start to our educational journey at Hope School. I am happy to report to parents their students are super busy, fantastically involved and super dedicated to their work. The playground has been a little damp this week. It never slowed our students down. Settling in is always a process and Hope School students made it look way to easy.

We could use your help with something Parents. Students need to have a pair of gym shoes and a pair of outside shoes. When it has been raining or is raining, these students need to have the appropriate gear to go outside. We have some extra shoes and some seasonal gear. However, we do not supply these things per size. These are donated items and we have a mix of sizes and types. Going out to play is very important to these children. I think maybe they could just need a little help getting those items to school and in their lockers. We know we can count on you.

We are still discussing the field trip. Ms. Dawn has been emailing all of you. Ms. Dawn and our teachers would like you to all attend the Field Trip Meeting coming up. It is tentatively scheduled for September 11th, right after school lets out at 3:30. If you have questions, this is an opportunity for you to ask them. Please come and make sure you get all of your questions answered.

A PTO meeting may be in the works soon. We encourage all parents to become new members and join in.

Did you sign up to volunteer? Would you like to be a substitute for the secretary, teachers, teachers aid or custodian? We would love for you to apply online through their quick and easy process. Please see the link provided below. You are all appreciated.

Important Dates:

September 4th: No School

September 11th: Field Trip Meeting after school at 3:30 (tentative)

September 8th: Early Release- students released at 2:00

September 27th - September 29th: Field Trip to Kasitsna Bay Ecology Laboratory

Friday 9-29: Early Release- students released at 2:00

Volunteers and Substitute Teachers

Hope School is always happy to have substitute teachers and volunteers. Opportunity is available for both positions currently. Please consider one or both positions
