Background Checks

District Office has instructed us that since there is no student contact, background checks are no longer needed for Community School activities. So when we get it up and running, you will not need to complete the check for walking/work-out, tot time, or volleyball!

However, if you are a parent and wish to accompany your child on a field trip (whether or not you are driving a student other than your own), you must complete a background check. To complete the process, please click here: <https://kpbsd.org/departments/assistant-superintendent/instructional-services/hr/volunteer/>

HOPE SCHOOL HAPPENINGS

It was great to see a tiny tot this morning at the Hope School. Watching the children enter the school after a summer of growing is always a shock for us. They grow so fast. That is one of the reasons we are always so happy they visit. It always them time to become comfortable with the building, the staff and the students. Our flyer is attached and we encourage all of the tiny tots to come back on the scheduled days and time.

For those who were recently hired by the KPBSD to work as substitutes, WELCOME! Thank you

Honestly, this year has been a bit on the wet side all summer.

The Field Trip to Kasitsna Bay is approaching quickly. The students are all becoming excited and are starting to think about what the trip will be like and what clothes they may need. Our students seem to be very good planners. If any of you have questions in reference to the field trip, please speak with Dawn Hammond-Sammet at the school. [Contact Susanna LaRock](#)
