RSVP FOR COURSE/PROGRAM INFORMATIONAL MEETING

One of our priorities is to make sure that our students are aware of the options they have within their education. Do you know what academic options are available for your middle & high school aged children? Please come and listen to KPBSD's Career and Technical Education Coordinator, Annaleah Karron. She will travel to Hope School and share information about JumpStart, Middle College, Educators Rising, other university partnerships, and possible career pathways courses that we may not be aware of. We urge you to attend and aren't above bribing you with food. COOPER LANDING & MOOSE PASS STUDENTS & PARENTS ARE WELCOME ALSO. RSVP required, so [click here to reserve your space](#). See you there!

DATE: Tuesday, Nov. 8

TIME: 3:45 – 4:15 + additional time for questions

WHERE: Hope School

ALL DOORS TO SCHOOL WILL NOW BE LOCKED

This school year, the KPBSD is requiring all elementary school doors to be locked during the academic school day. We understand this may be an inconvenience for some parents and staff, but the KPBSD holds school safety to the utmost level. As you know, the district is in the process of changing out traditional locking doors with electronic locking mechanisms. School principals can give you more information about this process.

Thank you for your cooperation and understanding.

We have put together a Google Doc as a tool to brainstorm fundraising ideas for the school. We have only had two people contribute to this effort. Please use the attached link and add any ideas you may have. Just scroll down to the bottom, add your information, and it will automatically save and will be accessible to everyone in the group. We will use this document at our special fundraising meeting (date/time TBD). We need everyone's ideas and participation. Thanks in advance!
