Cooper Landing School Updates

SnowSchool

Sarah Schuh (aka Snowshoe Sarah), Education Programs Manager from KMTA National Heritage Area, will be working with grades K-3 each Tuesday afternoon during the month of January. She teaches basic snow science and hydrology, and does fun projects like making snowshoes out of tree branches. The kids enjoy her activities and we are excited to have her back this year.

PAC Officers

We are in need of a PAC president, secretary, and treasurer. It sometimes becomes difficult to conduct the business of the PAC without officers. Please consider volunteering.

Substitutes

Cooper Landing School is in need of substitutes for all positions: teacher, instructional aide, special education aide, secretary, and custodian. If you are interested, please go to the KPBSD website to

apply: <https://kpservices/hr/sub>

Teacher substitutes need only to have a high school diploma or GED. A teaching certificate is not required.

Winter Gear

If anyone has any extra children's winter gloves, the school could use a few spares.

Please make sure your child has a warm jacket, hat, gloves, snow pants and boots. If it is convenient for you, and your child has extras, these things can be kept at the school. **Please make sure to label each item with your child's name.**
