District News

The Kenai Peninsula Borough School District (KPBSD) is interested in gathering insights to understand how well the district prepared alumni to meet goals for college and/or a career following graduation.

KPBSD has partnered with Hanover Research to conduct a brief Alumni Survey to gather valuable input. The KPBSD encourages alumni to share their experiences and opinions about the KPBSD to help us ensure that our academic and career-focused programs provide the best possible preparation for future graduates.

The survey should take approximately 15 minutes to complete and will close at the end of day on Friday, May 10th, 2024. Please submit responses prior to that date.

We appreciate your participation! Please click the link to begin the survey: [KPBSD's Alumni Survey](#).

Hanover Research takes protecting your personal information seriously. We use your data for research and analysis purposes. A full disclosure of our Privacy Policy can be accessed at <https://www.hanoverresearch.com/privacy-policy/>, where you may learn how we collect and process your data.

KPB Comprehensive Safety Action Plan

Kenai Peninsula Borough (KPB), with the partner cities Homer, Kenai, Seldovia, Seward and Soldotna, were awarded grant funds to develop a Safe Streets and Roads for All (SS4A) Comprehensive Safety Action Plan (CSAP).

WHAT IS A CSAP?

A CSAP is a long-term strategy for enhancing the safety of the borough's roads through a holistic approach to reduce (and eventually prevent) roadway fatalities and serious injuries borough wide. The CSAP will be structured around the Safe System Approach (SSA) National Roadway Safety Strategy developed by the USDOT.
