KENAI PENINSULA BOROUGH SCHOOL DISTRICT

Office of Superintendent
Clayton Holland, Superintendent
148 North Binkley Street Soldotna, Alaska 99669-7520
Phone (907) 714-8888

Dear Parent(s), Guardian(s), and Students:

Each school day over 8,000 students attend our 42 schools. While at school, the safety and security of your child(ren) is always our number one priority. As a way to ensure this, the school district and the borough have installed security cameras at your child(ren)'s school. This letter is written to advise you that the cameras are located in public areas inside and outside of the school buildings. Please note that no cameras are placed in areas where students, staff, or community members have a reasonable expectation of privacy, e.g., a bathroom or a locker room.

School security is the main purpose for the cameras. However, recordings may be used in disciplinary proceedings. In addition, matters captured by the cameras may be referred to local law enforcement, as appropriate.

For more information, view [Board Policy 351S](#) School Safety and Security.

Please feel free to contact your school principal with questions regarding the cameras.

Sincerely,

Clayton Holland
Superintendent

FIELD TRIPS: Your teachers and administrator have been busy planning field trips already. Please remember that the volunteer process must be completed for those who will be participating as chaperones, etc. We want parent involvement and find it to be very important to our students experiences in our school. Paperwork will be provided by the teachers you. They are handling the entire process. Please help them to meet their deadlines in order for your student(s) to participate. Please see your student(s) teacher with any questions you may have or forms you may need.

As part of our school emergency plan, we have attached a letter providing you with information you will find important. Student safety is our number one job. Cindy McKibben has prepared a letter for your family to ensure you know how we communicate during an Emergency event. Your cooperation is essential in an emergency. Please review the attached letter for **School Emergency**.

Please visit our school website for information at any time during the school year. Also, like and follow us on facebook.
