

Kachemak-Selo News

September 2024

Welcome back staff &
students!

The 2024-2025 school year is in full swing! Please join me in welcoming our new elementary teacher, Klavdee, and Marina, our ELL Tutor. We are excited to have them be part of our team.

Additionally, middle school co-ed soccer has begun. Come out and support our HOB students as they showcase their skills!

Thank you for your continued dedication and support.

Important Dates:

- 9/1 Labor Day-No School
- 9/11 Holy Day-No School
- 9/13 Early Release
- 9/23 Picture Day
- 9/27 Holy Day-No School

6th Grade:

- In ELA we have been reading “Brown Girl Dreaming” and studying the question “how to get your voice heard”.
- In Math we have been learning mental math strategies

7th Grade:

- In ELA we have been studying Plot and how to organize our stories into the 5 categories
- In Math we have been studying variable and algebraic thinking/expressions

8th Grade:

- In ELA we have been studying Science Fiction and learning how to use academic vocabulary
- In Math we have been studying math operations with fractions

All Grades:

- In Science we have been studying and thinking about the question “How is it possible to charge electrical devices when the power is out?” and all about energy and its different forms!
- In History we have begun learning about how to be Historians and use critical thinking to answer questions
- In Health we have been focusing on creating good routines for AM and PM to make sure we are taking care of our bodies
- In PE we have been focusing on our soccer skills! (Extra practice before the big game!)
- Every Friday we have “Finance Fridays” where we study how to best manage our money and how to budget wisely.

A stack of several books with colorful spines (red, blue, orange) is shown on the right side of the page. A white rectangular box with a black border is overlaid on the books, containing the text "MIDDLE SCHOOL" in a large, bold, black, sans-serif font.

MIDDLE SCHOOL

Elementary

Hi my name is Klavdee I'm the new K-5 Elementary teacher. We have an upcoming Title 1 Event coming up on the 12th. I hope to meet you all there.

The Kindergarteners are learning about object placement in both Math and Language Arts. They are also learning how to hold a pencil and write with it. They are practicing drawing shapes and lines so if you can have them do this at home as well, that would be great.

The 1st and 2nd graders are learning how to add and subtract one digit numbers in math, and are writing/illustrating stories in language art. They are also reading stories and answering comprehension questions.

The 3rd graders are learning how to add 3 digit numbers for Math, and are reading and answering comprehension questions about their stories in Language Arts.

The 4th graders are rounding 4 digit numbers and are also reading and answering comprehension questions about their stories in Language Arts.

The 5th graders are learning about volume in Math, and are also reading and answering comprehension questions about their stories in Language Arts.
