*September 2025*

## **Welcome to the 2025-2026 school year!**

Welcome back, students and families! We're so excited to kick off another amazing school year. This year is packed with opportunities to learn, grow, and make lasting memories.

Here's to a fantastic school year filled with discovery, friendships, and success!

## **Important Dates:**

- **9/16** Mid Quarter, Eligibility check for soccer
- **9/29** Picture Day
- **10/09** Holy Day- No School
- **10/10** End of quarter 1
- **10/11** Saturday School, Early Release
- **10/14** Holy Day- No School

# MIDDLE SCHOOL News!

## **ELA:**

- We are reading about how we can use our voice to make ourselves heard. In class we are also practicing grammar skills, starting with the basics: what is a sentence?
- We have a class goal of reading for 15 minutes a day. Ask your students about their book!

## **Math:**

- Each student is doing math at their grade level. They have time during school to work on their classwork, but if they do not finish in time it does get sent home as homework. Please provide time for your students to complete it.

## **Science:**

- We are in our Moon, Sun, and Earth unit. We have learned about how the moon gets illuminated and all about the phases of the moon each month.

## **Geography:**

- We are learning all about the basics of geography. Starting with how to read maps and how to find key information within the map.
- Challenge your kids with a map challenge! Make them guide you with street names through town, good luck! :)

## **Art:**

- All about color theory!
