for staff

## K~5 NEWS

To support our students I applied for a grant through The Homer Foundation. We are pleased to announce our award of \$1,5000 to Kachemak Selo School, for our Active Learning Through Movement initiative. These funds will be used to increase access to indoor and outdoor equipment. As students use our new equipment they will increase engagement of the body as well as increase student academic achievement.

In support of our Literacy Academy, students received a take home reading log. Upon completion of the reading log, students will receive incentives for their academic achievements. If more pages are needed for your home reading log, please let me know and I will send more home with your student.

# Middle School News

Boy, am I happy  
it's finally  
Winter Break!

We finally made it! It's Winter Break! I wish all of you a Merry Christmas and a very happy New Year! Thank you for a great first semester and I cannot wait to see all we learn next semester!

Middle School State Testing scores were *out of this world*! I am so proud of the hard work the students have been putting in to their studies– and its paying off! We wrapped up our novel study, *Hunger Games*, and we are excited for our next one after break.

In Science, we completed our “Moon, Sun, and Earth” unit with students excelling on the final unit exam. Ask your student to describe how the moon affects the tides!

Have a restful break and I am excited to see all that we can accomplish in the New Year!

You and me  
both, Mr.  
Moose!
