

Kachemak Selo News

February 2026

For your information:

- Elena is available from 3:05-4:30 for after school tutoring. Snacks provided!
- We were able to purchase 12 pairs of ice-skates for our students through a grant from the Homer Foundation.
- The cold weather is back. Please send your child with snow pants, gloves, and a hat. They go outside during their snack break and lunch recess.

Important dates:

2/24 Late Start 9:30

3/6 End of Quarter 3, Early Release 12:30

3/10 Late Start 9:30

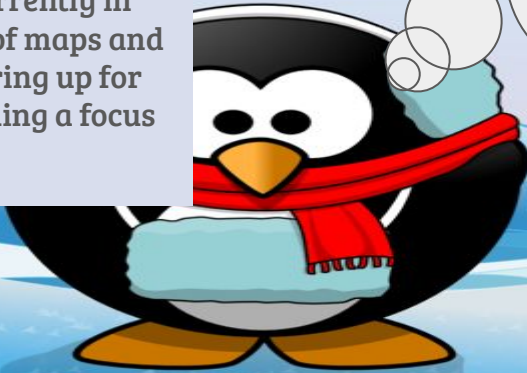

3/17 Site Council Meeting 3:15 PM

Middle School News

We are exploring the question “What does it take to be a survivor?” in Language Arts. We just finished reading and learning about a man named Salva Dut- ask your students to share what they have learned so far! We will be reading “Catching Fire” independently with Friday class discussions. Please provide time for your students to read at home!

In Science class we are studying all about the Earth, Atmosphere, and Climate. Ask your student what they know about El Nino and how the equator plays a role in temperature!

We are continuing our studies of Geography. Currently in class we are learning about the different types of maps and the information that can be shared. We are gearing up for the study of the United States geography, including a focus on learning about each of the 50 states!

*Waiting on the snow so
we can go on a cross
country skiing field trip!
I sure hope it comes
eventually!*

K-5 CLASS NEWS

Daylight is returning in the mornings as we make our way to school, students are learning and growing, and spring is in the air!

We are making great strides with our reading logs, becoming bright mathematicians, and exploring creativity thought art.

Thank you for your continued support at
