### THIS WEEK...

We welcomed our chicks that we have been patiently waiting to hatch. Ask your child what it was like to see the chicks hatch and grow through the week.

Next week we will finish our unit on Birds. Please plan to join us the following week, Tuesday May 7th, for our final celebration of learning at 3:15.

Chicks are hatching!

**Next week's Life Skill:**  
**Common Sense**

### REMINDERS...

**Snack donations are always appreciated!**

**Bike Rodeo next Friday!**
