Searching For Treasures

**Discovery: the act of detecting something new, or something "old" that had been unknown.**

## This Week!

We are continuing to study ecology, including adaptations, food webs, and Alaska's ecosystems.

In math we are learning about geometry, including shapes, lines, angles, area, and perimeter.

### ***NEXT THURSDAY:***

SeaLife Center permission slips and money (\$28) due

## Parent Communication

Parent communication is extremely important! If you feel the need to speak with me, please always feel free to email: [ebranson@kpbsd.k12.ak.us](mailto:ebranson@kpbsd.k12.ak.us) or call at the school (907) 283-0804 and we can set up a conference.

### Reminder:

The snow is melting and the playground is wet. Please send students to school with water-proof gear for recess.

## Lifeskills of the Week:

### ***This Week:***

#### **Active Listening-**

To listen with the intention of understanding what the speaker intends to communicate

### ***Next Week:***

**No Put Downs-** To never use words, actions, and/or body language that degrade, humiliate, or dishonor

**We love volunteers! If you are interested in volunteering, please make sure you have completed:**

- Annual KPBSD background check
- Annual Volunteer Training is done at the office.
- Check with Mrs. Stacey in the office to make sure you have everything in order to volunteer prior to volunteering.
