

Mrs. Clark's CLASSROOM

FOR the week of
4/29-5/3

4/29-5/3

NEWS

Important NEWS

Information about our Sealife Center Trip on May 9th is in your child's Friday Folder. Please read the information carefully and email or call if you have any questions.

Please be at the school by 6:30 so that we can be loaded and ready to go by 6:45.

We took our last walk to the creek of the school year today with Ms. Katie. We reviewed the internal and external anatomy of salmon.

This summer, see how much your child can tell you when y'all go fishing! They also received an Ident-i-Card to identify the fish they catch.

What a great way to use what they've learned outdoors!
