## This month in Kindergarten...

We continue learning about tidepools and ocean animals. We are looking forward to our study trip on Wednesday 5/1 to Homer's Islands and Oceans! Our trip will include activities led by Ranger Kendra all about sea otters, a beach walk, and an exploration of the exhibits at Islands and Oceans. Please see the printed information sheet sent home in the folders this week and attached to the weekly email. We will be wrapping up the school year with assessments, reflection, and projects. As we approach the end of the school year, please pay attention to all emails, phone messages, and info coming home in backpacks. We have a very busy school this time of year and don't want you to miss any of the fun!

## Home Links:

- Work on your May Homework Packet through out this month. Have fun learning together.
- Continue to check your child's backpack and your email daily for important info. This time of year is very busy!

## REMINDERS...

As the weather changes, please pack appropriate gear for the day. We will go outside even in the rain! So it is time for rain boots/ pants! Please take all gear out of the backpack and dry it overnight!

We need approved volunteers to help out in the classroom so that teachers can conduct end of the year assessments! When can you help out? Let your teacher know!

Always accepting donations of snacks and paper towels. Thank you!

## DATES TO REMEMBER

**Wednesday 5/1 @ 8:30 AM: Study Trip to Islands and Oceans, Homer,** We will need approved volunteers! Please see the information sheet being sent home in the Friday Folders again this week.
