

OUR CLASSROOM NEWSLETTER

SEP. 9TH-20TH

*Mr. Hagedorn and Mrs.
Hanson's 5th Grade
Classes*

Our Learning Snapshot:

MATH:

- We have been learning how to evaluate expressions with the Order of Operations.

LANGUAGE ARTS:

- We have been focusing on analyzing non-fiction texts, and we have been learning about Alaska Native Culture.

SCIENCE:

- Students have been learning about simple machines.

ART:

- Students have just finished a map of Alaska.

MAPs Testing:

- Our benchmark testing is wrapped up - thank you for your support!

Upcoming Events:

- 10/1: Band Begins
- 10/7: PTA Meeting @ 4:00 PM
- 10/8: APC Meeting @ 4:15 PM
- 10/9: 5th Grade Field Trip for Salmon Egg Take - Permission Slips coming home today!

Life Skill Focus:

Next week's Life Skill is Caring, which means to feel and show concern for others.

The following week's skill is Common Sense, which means to use good judgment.
