December 2024

This month in Kindergarten...

We will explore family and holiday traditions. We will also begin an integrated art/ science unit about fabric. Literacy will focus on sight words, hearing words in sentences, and hearing/ writing beginning and ending sounds in simple words. It is a good goal to know ALL of the letter names and sounds by the end of December! Keep practicing at home so your child can have a strong phonics foundation. In math we will work on oral counting to 50, counting by 10's, writing numbers to 20, number stories, drawing shapes and composing shapes. With the end of the quarter arriving soon, students will complete multiple assessments to determine areas of strength and need. We will also have fun with traditional holiday stories, crafts, and cooking projects. We look forward to a couple of fun events like our Winter Holiday Concert on 12/3, End of Quarter Celebration on 12/6, and spreading some cheer at Aspen Creek on 12/12. We welcome all volunteers, especially during this busy time!

MAY YOUR DAYS BE MERRY AND BRIGHT

Home Links:

- Read the parent letter about the lifeskill for the week.
- Can your child read all of the sight words for quarter 2? Can they name all of the letters and tell the sounds?
- Practice writing the capital and lowercase letters.

JUST A LITTLE Reminder

PLEASE DOUBLE CHECK...

Does your child have gloves and boots each day? We will go outside as long as the temperature is above -10 degrees.

Please consider donating some extra snacks and paper towels to the classroom!

12/16 Ugly Sweater Day

*12/17 Decorate Yourself Day

12/18 Red vs. Green Day

12/19 Winter Wonderland Day

12/20 Pajama Day
