

KCHS News

PRINCIPAL MESSAGE

Dear Parents,

KCHS 9th and 10th graders will be taking a MAP® Growth™ test from NWEA®. MAP Growth scores help teachers check student performance by measuring achievement and growth. The testing window for our school is December 4th-January 12th. Teachers use results to tailor classroom lessons and set goals for students.

MAP Growth tests are unique and adapt to your child's responses to measure your child's knowledge. If your child answers a question correctly, the next question is more challenging. If they answer incorrectly, the next one is easier. These results will provide a more complete picture of where your child is on their learning journey—regardless of whether they are on, above, or below their grade level.

Since MAP Growth tests provide immediate and accurate information about your child's learning, it's easy for teachers to identify students with similar scores in similar skills and topics and then plan instruction accordingly.

MAP Growth reports also provide typical growth data for students in the same grade and subject with the same starting performance level. Each school year, students in grades 9th and 10th take the tests in the fall, winter and spring. Following each testing period, you will receive a Family Report showing a summary of how your child is performing academically.

We are truly excited to focus on your child's individual growth and achievement. For more information about MAP Growth, visit NWEA.org/familytoolkit.

Thank you,
KCHS Administration

CONGRATULATIONS TO OUR STATE CHAMPION FOOTBALL AND VOLLEYBALL TEAMS!

This is the first Championship since 2011 for the Kardinal Football Team. They beat Barrow for the State Title.

This is the second straight State Championship for our Volleyball team.

They also brought home the Academic Award!

Upcoming Events

SECOND SEMESTER INFORMATION

Second Semester schedules will be released on Powerschool at the end of the school day on December 8th. Schedule change forms will be available starting December 11th. Students will have until January 10th at 8am to change their schedules. Students will stay in their scheduled classes until changes are officially made by their Counselor.

Important information to note; Students may come to the counseling office before or after school and during breaks to make schedule changes. Students are only to come down during class if they are missing a class that period, lastly - if a student chooses to add/drop a class after January 16th they will take an F in the dropped course.
