**2. School Reports**

Principal Report

**Staffing:** IN Teacher Vacancy due to a resignation. Retired teacher Dale Hagen filling in as long term sub. We did fill two IN Aids positions: Ashley Hamilton and Angela Gregory  
**Sports Update:** Jesse Settlemyer

**Fall Sports:** Football won Division 3 State Championship and Volleyball won 3 A Volleyball State Championship which was the second in a row. Swimming Girls 400 relay broke two school records.

**Winter Sports:** Hockey is going and hosted two tournaments the Peninsula Ice Challenge and Kenai River Cup. Wrestling is hosting wrestling regions this weekend. Nordic Ski did the Turkey Skate planning on Candy Cane if weather permits. Basketball and Basketball cheer are just getting going.

**Training/Drills:**

Alice drill: First two completed. The first event was an actual Alice Training refresher and the second event was intercom scenario discussion in class. One more intercom scenario then the last one will be the live alic drill with law enforcement. Using the students feedback to help refine the ALice drill process

**Maps Testing:** Round two is done. Math started today and Language Arts starts after the break. Science test results as a school tracking a little above district and right with state.

Maps achievements: We will show the growth when we are done testing the winter assessments. Math continues to be our biggest area of need and our focus as far as academic interventions

Trying to get less opt outs for testing

**After School Tutoring Bus:** Still going good, at least 3 kids use the bus

**Student Body President Report:** Emma Beck

Both Football and Volleyball won state. Volleyball had the Killing Cancer on the Kenai fundraiser that raised \$15,000 with the help of the community. Homecoming and Powder Puff football were a huge success. Moved the bonfire to a different day due to weather which worked out really nice. We have been doing media monday where we post posters on social media platforms which has bettered the knowledge of our events. We also finish he can food drive donated 700lbs of food and were the top in the peninsula for most donated cans

Upcoming Events: A Christmas Movie drive in. Did a poll and Home Alone won  
Next Quarter Projects are Ice Skating, Homegoing, Spaghetti feed for homeless youth, Prom, and trying to do drive in movies monthly. In the down time in class we are reading books that teach about leadership. Just finished Outliers and almost done with Start with Why

**3. Old Business**

- a. New STAGES building is completed
- b. Bathroom Project: Design is close to being signed off and going out to bid soon. The idea is that they will start next spring and by the fall we would be able to utilize the facility.
- c. Building Improvement projects
  - Lawton Parking lot repave: It's going to be paved from that corner by the pool all the way to the highway and to the end of that parking lot.
  - Highway Entrance: It was repaved we thought they were going to reconstruct it with a culvert underneath but hey just repaved
  - Kitchen loading area is done
  - WDC Parking lot repair: still needing to work on

Add to the list replace the boilers and add new sliding doors. Big job the pool will be closed this summer

Hoping to have that, the bathrooms and paving all done this summer

Art room was closed due to a huge clog. Might have to discuss new pipes

**4. New Business**
