KCHS News

Dear KCHS Families,

As we welcome 2026, we're excited to continue building on the great work we've accomplished together. Believe it or not, we've already reached the halfway point of the school year! This is a perfect time to reflect on our progress and set goals for a strong finish.

We know the weather has been extremely cold lately, but attendance remains a top priority. Being in school every day is essential for learning and success. That's why we're continuing our Strive for 5 Attendance Initiative—and yes, we have some awesome prizes for students who show up and stay committed!

Things don't slow down from here. The second half of the year is just as important as the first, so we encourage all students to keep working hard, focus on good grades, and make the most of every learning opportunity.

Let's work together to make the rest of this school year strong and successful. Thank you for your continued support, and here's to an amazing 2026!

Sincerely,
Dan Beck
KCHS Principal

Job Shadow Day – February 26th

On February 26, our juniors will participate in an exciting and important Job Shadow Day in partnership with the Kenai Chamber of Commerce. This career-focused day gives students the opportunity to explore real-world workplaces, connect with local professionals, and gain valuable insight into potential career paths. Job Shadow Day is a meaningful experience that helps students link their interests and education to future goals, and we are grateful to our community partners for making this opportunity possible.
