Dear Families,

Through recent progress reports and/or grade level meetings, your child has been recommended for the After School Tutorial Program at Kenai Middle School.

After School Tutorial will be offered from 2:35 to 4:00 p.m. on Tuesdays, Wednesdays and Thursdays to a limited number of students who may require remedial attention or need help with their current classes. This program is in addition to the regular school day and will focus on lessons assigned to students in their core classrooms. We will be completing assignments and concentrating on developing successful study skills and participating in goal setting.

Since space is limited, we are offering this on a "first come, first serve" basis and teacher input. Once this program is filled, we will start a waiting list. Students missing more than 3 afternoon sessions are subject to being dropped from this program. This program will start on **Tuesday, March 16 and end on Thursday, April 29**. Snacks will be available for students in the after school program and transportation will be provided if required.
