

Dear Parents,

We are looking forward to another great year at Kenai Middle School. Once again we have the opportunity to teach our youth in the eighth grade. It will be important that students just prior to high school establish basic study habits. Probably one of the most important and the most basic is to have the necessary supplies and to bring them to class on a regular basis.

The basic list of supplies for Origins of Democracy, 8th Grade with Mr. Prusak will be:

Necessary Materials

- (1) Spiral Notebook/lined paper for note taking
- (2) Pencils or other writing utensils

Recommended Materials:

- (3) 3-Ring Binder
- (4) Colored Pencils – for map work, etc.
- (5) Hi-Lighter Marker *A 3-ring binder to organize all classes may be very helpful.

The basic list of supplies for Science, 8th Grade with Mrs. Pedersen will be:

- (1) Spiral notebook and folder just for this class
- (2) 24 Pencils, Colored Pencils
- (3) Hi-Lighter Marker
- (4) White lined note cards - 2 packs
- (4) Optional: 4-Function Calculator

The basic list of supplies for Language Arts, 8th grade with Mrs. Moss/Ms. Waits will be:

- (1) Three ring binder just for this class (1.5 inches is adequate)
- (2) A three ring folder that fits inside your binder just for this class.
- (3) 100 Pencils (Walmart sells a 24 pack for \$1.12, (50 to be donated to class)
- (4) Hi-Lighter Marker

The basic list of supplies for Math 3, 8th Grade with Mrs. Rininger/Ms. Waits will be:

- 1) Single subject spiral notebook 70-120 pages just for this class
- 2) Folder for this class only
- 3) 48+ pencils
- 4) 5-8 Dry-Erase Markers (to donate to Mrs. Rininger's room)
- 5) *OPTIONAL: scientific calculator (Preferred model: TI-30Xa)

This will be a great school year and one way to help ensure a good start is to send students with the proper materials. We hope you had an excellent summer and are ready for this last year before high school.

Sincerely,

The Eighth Grade Team
