

McNeil Canyon Elementary

Site Council Meeting

13 Sept 22

Members Present: Pete Swanson, Joy Overson, Ashley Hanson, Kendall Dellasperanza, Jamie Pennington and Eric Engebretsen

Members Absent: Mark M.

Others Present:

The meeting was called to order at 3:38pm.

Site News:

Pete thanked the members for being there and did an overview of Site Council's role and the types of things that are discussed throughout the year. We reviewed the Site Council Bylaws and the McNeil Parent/Student Handbook. Pete gave an overview of last night's school board meeting.

We had a few job postings at the beginning of the year. We have filled the kitchen manager position and have yet to fill the others. Pete has changed the part time Title 1 teacher posting to a Title 1 tutor position. Jamie asked for more information and may be interested. Pete also let the members know that our student count is up from what was originally estimated by the district which has opened a full-time teaching position.

We had a little challenge with our artist in the school canceling at the last minute. Debbie Piper has agreed to step in and teach our students about the creative process of sculpting. We are grateful to her for stepping in. The art council is also on board with the change. Pete discussed the new i-Ready math program that has been introduced by the district. Ashley and Kendall discussed some of the challenges within the program and hoping for some additional training regarding the math games that are provided to the students through this program. Kendall asked about the replacement of the playground equipment that was removed by the borough. Pete explained that they are in the process of choosing the new equipment that will be installed.
