Discussion Items:

The council reviewed the co-curricular report showing the status of our 710-pupil accounts. Pete explained to the new members what each pupil activity account represents and what the funds are generally used for. The council revisited the request made by Delane Blackstock at the last council meeting to try and propose a bus stop change from the LDS church parking lot and suggested a stop closer to town. Delane mentioned possibly speaking with the new pastor at the Methodist Church to see if they would be open to having a bus stop at their side parking lot as it was in the past. Pete mentioned that a letter would need to be sent to the school board from our site council proposing this change. Delane accepted Pete's suggestion to compose this letter for our council to sign.

Site News:

Pete mentioned that we have started our after-school basketball program, and we are set to begin the after-school biathlon program on December 6th. Some of our upcoming events include Twin day (November 20th), the kinder harvest lunch (November 21st), our winter concert (December 5th), food pantry soup kits (December 17th), mini-workshops (December 18th), and our pajama/cookie making day (December 20th).
