

McNeil Canyon Elementary

Site Council Meeting

6 Nov 25

Members Present: Pete Swanson, Joy Overson, Anne Love, Corise Story, Brad Conley, Kobi Lyon

Members Absent: Andrew Peter

Others Present: None

Public Presentation:

None

Meeting Notes & Site News:

Our newest member, Kobi Lyon, joined us today. Pete did a short overview of what Site Council does during the school year. The Council then reviewed the 710 accounts. Pete spoke about the class accounts and what those are utilized for and how they roll over each year with each class. Next, the activity funds were discussed. Pete explained his current project of purchasing a moveable ice rink that will hopefully help our ice rink last longer. He also explained the reason why Site Council reviews the 710 accounts each year and that it is a form of accountability.

Pete reviewed the upcoming events at McNeil. Our community council hosted another successful fall carnival which is one of two major fundraisers held each school year. Pete mentioned the after-school activities that are currently in session and those that will begin after winter break. Our current activities are drama club and basketball. Drama club is putting on our winter program called North Pole Musical and basketball will be hosting their first game against Chapman on Tuesday, November 11th. The activities that will begin in the new year are cross-country skiing, ice skating and biathlon.

Pete spoke about a grant that he is working on for a hunter education program along with a grant for another biathlon laser gun and trail lighting. He is hoping to integrate these two programs and push towards firearm safety qualifications for students.
