Teachers Report: The kids are doing great even through all the transitions this year has provided. Everyone is always paying attention to social distancing and wearing their masks, just being extra careful.

The students are staying up to date with google classroom just in case we all go "virtual" or any student needs to for any reason. Fall assessments are coming up but the district has decided that online students will not have a fall assessment.

No Halloween Carnival this year but kids can dress up the last day of school before Halloween (Wednesday the 28th)

No school the 29-30 for parent-teacher conferences.

We have a suggestion for a possible "Trunk-or-Treat" ? Will have to check on school rules to decide if we can/if it can be managed safely

Claire has an idea for a "T-shirt Fundraiser". There are websites where you can send your design and folks can order via website, they will print and ship orders. Her father has donated \$400 to order shirts for each student and staff member. Hopefully we can make a design which each student has some representation and a Moose, of course!

Jen and Susanna volunteer to look more into pricing and which site/company will fit best.

Virginia let us know that the district will be asking for parent/staff input on what they are looking for in a new Superintendent-will be coming vial email.

Also, the district is having a meeting Monday and they will be finalizing which priorities they will put forth to the Alaska and Federal legislature. Some of them include requesting that the state use last year's numbers(student count) for funding purposes because of lower number this year due to the pandemic. They want to make sure that no school district will go into a deficit. She will let us know what priorities are decided at the meeting so we are able to call/email legislature asking for the same things.

No old business since this is our first meeting!

New business: Our next meeting will be Monday October 19th at 3:45pm
