It is with mixed emotion that last month I announced my retirement beginning at the end of this school year. It has been my pleasure to work with the students, families and staff of the Mountain View family for 11 years and I feel it is now time for me to move on.

I have been blessed to work with an amazing staff of teachers and support staff. All of them dedicated to ensuring our school runs smooth, and our students grow both academically and emotionally. I have had the opportunity to meet and interact with approximately 2,000 students over my time here. They are an amazing group of kids. With interactions that range from hilarious to somber and everything in between, it has been an awesome experience that I will never forget. It has been a pleasure meeting the families of Mountain View students and seeing their dedication to both their students and our school.

Writing about my positive experiences here at Mountain View and thanking all the people who have helped me or have gone above and beyond to help our students could take pages. However I will have to give a special thanks to (and who in this school wouldn't) to Mrs. Remsen for all that she did to help me succeed in this position.

I guess a fitting way to end this goodbye is by repeating the announcement we make every morning here at Mountain View. Remember, if you have choices to make, choose to be kind, choose to be helpful and make it a great day! Oh, and don't forget to use the "Conflict Wheel" and solve your conflicts in a positive manner!

CONGRATULATIONS!
