2) Tidbits

- a) Greg noted incorrect dates on previous Site Council Agenda. Corrected dates are listed to the left on this document.
- b) Students on-site at school are taking the AK PEAKS test this week. Some students will take the Science test next week pending on their grade level.
- c) ALICE Drill will take place on Friday, April 16th with AK State Troopers presence. Trooper will work with students on what to do if a dangerous individual is present at the school.
- d) Greg noted that cars need to drive slow when driving in/out of school, as we have icy road conditions. Greg reached out to Road Services to spray sand on the parking lots and driveways.
- e) Kyle Darbonne, Migrant Specialist, shared updates to the school's Migrant program. Kyle informed that Migrant families can sign up on the "waiting list" for rain gear when out on summer fishing. Next, the final *Science Kits* will be heading out very soon with the theme of "Rocks & Minerals." Finally, the *Summer Reading* program will focus on reading activities. If parents sign-up, they can receive books at locations they are fishing during the summer.

3) Title I Committee Meeting

a) Program Strengths / Weaknesses

- i) Small group sizes have improved student reading skills in terms of fluency and comprehension. Yet due to COVID measures, scheduling reading groups within the teacher's limited time with students has been a challenge.

b) Student Progress Review

- i) Improvement in reading fluency & comprehension skills

c) Next Year (*see next page*)

3) Title I Committee Meeting continued...

a) Next Year

- i) If KPBSD health protocols are lifted, the school can return to normal routine. This will improve the outcome of reading interventions and core instruction.

b) Parent Engagement Activities

- i) Parents were informed of the “Environment Book Packet” of materials coming home for Title I students. This includes a nonfiction and fiction book, art materials, bookmark, and a yearly Title I survey

c) Title I Surveys

- i) Title I Surveys will be included in the “Environment Book Packet” coming next week. This provides feedback on the Title I program.

d) Parent Input

- i) No input or questions were given

4) Important Updates

a) Survey period - enrollment

- i) KPBSD will initiate a recount of next year’s enrollment between April 5-16th. KPBSD will consider the school’s current enrollment, as well as results from an “Intent to Enroll” survey that’ll be sent out to parents.
- ii) “Intent to Enroll” survey will delivered to parents by weblink. It is a Google Forms that can be completed on a cell phone.
- iii) The school may be able to call individual families to obtain survey results for families with limited to no internet access. This would likely take place by our secretary, Fenya.
- iv) Survey will ask for parent’s intentions of enrolling their child(ren) next year. Parent responses will include “Yes” or “No” or “Maybe.” If parents select “Maybe,” they may comment on why they will (or will not) enroll their child - reasons could include “No more masks,” “Health protocols,” etc.

b) Mask Updates - Next Year

- i) KPBSD has no plans to lift indoor school mask requirements for the current 2020-2021 school year (response to parent question).
- ii) Outdoor mask requirements may be lifted next week. Superintendent John O'Brien intends to introduce new language in the Smart Start plan to allow outdoor activities to take place without masks, but social distancing protocols still enforced.
- iii) Next year's Superintendent, Clayton Holland, is planning for no mask requirements by next school year. This assumes that no other event happens that triggers mask mandates to resume.

c) FY22 Staffing

- i) Current student enrollment will likely result in a reduction of 1-2 certified teachers by next school year (2021-2022).
- ii) Current student enrollment dropped by 30 students to Connections, IDEA, or another program. Razdolna School currently has 62 students enrolled.
- iii) See bullet points above for add'l information

d) Pupil Activities Fund

- i) Fenya reviewed the current school student activity funds accounts

e) Graduation - May 18th, 1pm

- i) Reviewed plan for graduation, which consists of an outdoor event possibly without the mask requirements.
- ii) The school purchased a large outdoor tent to be used for graduation ceremonies, and other outdoor activities.
- iii) One parent asked if promotion was going to be included in the ceremony. Greg responded that the decision will be made pending whether or not masks would be required for outdoor activities.

5) FY22 New Principal - Dr. Sturm

- a) Transitioning to next school year
 - i) Greg informed that both he and Dr. Sturm are working together for Sturm's transition into next school year as the Site Principal
- b) Statement
 - i) Dr. Sturm introduced himself and detailed how he looks forward to working with the staff and community next year. He encouraged parents to complete the survey on their intent to enroll children for next school year.

6) Other

- a) Community Feedback & Questions
 - i) No other feedback or questions were given
