ANSWERS: Mystery Phrase - "Man overboard!" Riddle - "His car door"

May 2021

Mystery Phrase

Fun Fact

Have you heard about the Republic of Indian Stream? This country, though not officially recognized, became the subject of dispute between Canada and the U.S. in the 1830s. Located on the NW corner of New Hampshire, citizens on this land found themselves double-taxed by both the U.S.A. and Canada. Each country claimed different border lines based off difference of opinions in the Indian Stream River, which separated Canada & the U.S. After double taxation, citizens organized their country. They did not last long, as Canada soon ceded it to America.

Riddle

A man is driving his car and sees 3 building doors - a diamond, ruby, and emerald door. Which door does he open first? (Answer on back)

Поздравляем!!

We would like to wish the **Razdolna Class of 2021** a warm & hearty **CONGRATULATIONS** for finishing a very unique and challenging school year! Each staff member appreciates what you've been able to accomplish in staying true to course in High School. Whether your future involves fishing commercially in Dutch Harbor, starting a family in Alaska, or even seeking a college degree...we know you have the skills and aptitude needed to realize your dreams.

"Never, never give up!" Churchill. Did you know that Apple fired Steve Jobs from his own company? Or that Martin Luther King, Jr. got a "C" in a Public Speaking class at his seminary school? Failures do not define who you are...but how you choose to stand back up will be most remembered by those around you. A kind respect for each other, and a passion for doing what you like best, will bring you to places far beyond your wildest dreams. Congratulations to the Razdolna Class of 2021, and have a great summer!!!

General Updates

- **Graduation:** Due to KPBSD Health protocols & parent feedback, Razdolna School will not have an official Graduation/Promotion ceremony. The school has received local feedback that an unofficial graduation ceremony will take place for this year's seniors.
- **STEAM Team:** Students enrolled in STEAM Team have been invited to take a field trip to Grewingk Glacier for a hiking & exploring excursion. Students will depart @ 8:00am, and will return by 4:15pm. Travel will include both bus and boat rides, and the project is being sponsored by Project GRAD and Coastal Studies. Please contact Chris Etwiler for additional information about the trip.
- **Staff Changes:** Next year, Mrs. Robinson will be moving to Voz as the K/1 Teacher. Our MS/HS Science & Math teacher, Ms. Bremner, will also not be around next year. Mrs. Duncan will be our next K/1 Teacher. Mrs. Szynskie will become our MS ELA/SS & Title I teacher. Dr. Sturm will be the Principal, and ELA/SS teacher for the High School.
