- Title I (School-Wide)

Review of District and School Policy

TITLE I PROGRAMS

Title I programs shall provide identified students with supplementary services designed to instruct them in the District's core curriculum and improve their achievement in basic and advanced skills. The District shall provide these services, including remediation in reading, language and/or mathematics, on the basis of individual student needs identified annually and assessed with objective educational criteria.

The parents/guardians of children enrolled in Title I programs shall be involved in planning, designing and implementing these programs in a systematic, ongoing, informed and timely fashion. They shall have regular opportunities to make recommendations on the educational needs of their children and on ways in which they can help their children benefit from the programs. All such recommendations shall receive timely responses. Through consultation with parents/guardians; the District shall annually assess the effectiveness of parental involvement programs and determine what action needs to be taken, if any, to increase parental participation.

1. ESEA Complaint Process (form)

Any person may file a complaint related to any of the program requirements under the Elementary and Secondary Education Act. (Title IA, Migrant Education, and McKinney Vento)

KPBSD encourages resolution of complaints by working directly with school personnel and/or the principal. If resolution is not achieved at the school level, submit a written complaint describing the provision of the law that has allegedly been violated to the KPBSD Director of Federal Programs. (907 714 8892) If resolution is not achieved at the district level, a written complaint should be submitted to the Alaska ESEA Program Administrator.

2. Parent Engagement -Approve Statement

*The School Board recognized that parents/guardians are their children's first and most influential teacher and that **continued parental involvement in the education of children contributes greatly to student achievement and conduct.** Parents/guardians directly affect academic success by reinforcing their children's motivation and commitment to education. The District shall include parent involvement strategies as a component to education. The District shall include parent involvement strategies as a component of instructional planning. The Board encourages parents/guardians to serve as volunteers in the schools and to attend student performances and school meetings. In an effort to maximize opportunities for parental involvement, an attempt will be made to accommodate parent schedules.*
