COFFEE/SPECIALTY DRINKS

Parents,
Beginning Monday, if you are buying a drink for your child before school, they will need to make sure it is finished before being dropped off. There will be no purchased drinks allowed in school or while waiting for school to open. We have had too many messes and students are not being responsible in disposing their cups properly. Thank you.

Please visit Redoubt Elementary's School [Blog](#) or [Facebook](#) page for current happenings.

Student Messages/Absences

Dear Redoubt Parents,

ALL parents must call or email the office with student messages or to excuse their child from school. Please **do not Dojo your teacher regarding messages or absences.** **All information must go through the office.** We try very hard to keep everyone safe and going home according to everyone's plans. When the office is unaware of changes in plans, it makes it difficult at the end of the day for dismissal.

If calling after 2:45, please leave a message as all calls go to voicemail.

Attendance Matters!

Chronic absenteeism is widely defined as missing 10 percent or more of school days in a school year for any reason, including excused and unexcused absences. This can translate into missing

15 or more

days per year or 3 days per month.

Students who are chronically absent in preschool, kindergarten, and first grade are much less likely to read at grade level by third grade—which would make them

4 times

more likely to drop out of high school than proficient readers.

It starts early.
More than

10 percent

of kindergartners and first graders are chronically absent.

A student who is chronically absent any year between grades 8 and 12 is more than

7 times

more likely to drop out.

On average, a college graduate is likely to live about

9 years

longer than someone who has not completed high school.
