August 13, 2024

Hello and welcome back to Redoubt Elementary School Parents and Community! I hope everyone enjoyed their summer break and were able to carve out some much needed quality family time. We are excited to start a new school year with opportunities to work together to support your child/children as they grow and mature. We have some new staff to Redoubt and they are excited and eager to meet all of the families and students.

As I look forward to the upcoming year and all the opportunities and possibilities that will come with it, I want to express my gratitude for the support you provide for your child/children and for the school. Last year provided several challenges and with your support, we were able to overcome these obstacles and built a stronger community/school team to support all students at Redoubt Elementary School.

I encourage you to continue staying actively involved in your child's/children's education by attending school events, volunteering, and maintaining open communication with our dedicated staff. Your partnership is key to the success of our school community, and I am confident that together, we will continue to create an enriching and supportive environment where every student will grow.

Please mark your calendars for our upcoming Back to School social on August 20th (5:00-6:30pm), where you will have the opportunity to meet our outstanding teachers and learn more about the exciting year ahead. I am looking forward to the coming school year filled with student growth and memorable events.

See you soon!
