- River City Academy, Soldotna Montessori Charter School, Connections Home School, District Office Relocation

Paid for by the Kenai Peninsula Borough, 144 North Binkley St., Soldotna, AK 99669

### FEATURED PROJECT:

#### Soldotna Prep School Renovation

**Amount:**  
**\$18,500,000.00**

Paid for by the Kenai Peninsula Borough, 144 North Binkley St., Soldotna, AK 99669

A feasibility study was completed for Soldotna area schools that indicated the need for replacement of the 62-year-old Soldotna Elementary School and relocation of the River City Academy, Soldotna Montessori Charter School, Connections Home School, and District Office to the former Soldotna Preparatory School facility and necessary improvements required to meet educational requirements, alleviate overcrowding in the Borough Administration Building and extend the life of the facilities.

The Borough Administration Building is currently overcrowded, and relocation of the School District administration will alleviate the situation and provide a better work environment for both the Borough and District employees.

This will also address the overcrowding at Skyview Middle School and Connections School and prepare the way for the replacement of a smaller (consolidated) Soldotna Elementary School facility.
