A Message from Principal Shea!

RCA is welcoming our new instructional tutor, Hans Hesse! However, Hans is not actually "new" to River City as he graduated from RCA in 2018. He is pursuing a career in education and will be a great asset to help students stay on track and complete projects! We are excited to have his support.

We are working on our RCA Yearbook! Ms. Michelle is needing from ALL of our Seniors (both RCA and Middle College students) the following items:

- One Senior Photo
- Three Baby Photos
- Senior Quote (must be school appropriate)

DECEMBER 28TH DEADLINE!

An email has been sent to all of our Senior KPBSD student gmail's. Please follow the directions and email the information requested to michelle.gist@g.kpbsd.org

EXPLORE

WHY EXPLORATORY CLASSES?

RCA does not have traditional Elective courses, however students still need to meet **Personal Expression and Community Connection (PECC)** standards. Exploratories are student interest driven courses that give students a direct say in how they meet these needed standards.

Exploratory classes ensure high school students will receive **P.E., Health, Art, and Elective credits** that they need to graduate. Credits are also gained during Exploration Weeks. These are not just FUN classes, they are important classes that are FUN!
