A Message from Principal Shea

The end of the quarter is fast approaching!

RCA will be hosting Student Led Conferences on October 26 & 27th. Students will secure a time with their parent and Mentor soon. This is dedicated time that our students can show their families and Mentor the great progress they have made from the start of the school year. More details to come about Student Led Conferences in the coming weeks.

If you need help with your parent Summit login please reach out to Ms. Amanda in the office.

I am excited to see students owning their work and embracing learning opportunities this year! And I'm excited for them to have an opportunity to share those achievements with you!
