A MeSSage from Principal Shea

Hello Families!

We are currently planning our **2024/2025** school year!

We have opened up enrollment to our families for siblings that want to come to our school for next year! Please fill out an application form from our RCA website or copies can be found in our office. Additionally, if you know of anyone who would benefit from extended project time, mentoring, helpful feedback, and a culture of respect, encourage them to check out RCA!

Please turn in completed applications to our RCA office or email Amanda @ abarber@kpbsd.k12.ak.us

For current students that will be returning next year:
There will be more communication later on regarding how to re-register your student for next year.

Climate Survey

Each year, students are given the opportunity to fill out the KPBSD School Climate survey. The permission slip is typically in the online registration packet at the beginning of the year, however it was not included this year.

To access the form: Climate Survey Consent Form (attached to this newsletter email) this form can be printed and returned to the office. OR you can simply reply to this newsletter with "Yes" or "No" to Mrs. Amanda and we will be able to record your permissions. It is important for us to have the forms returned (or email response) whether or not permission is granted. Paper copies can also be found in our office and sent home with your student.

We need 100% response rate back as far as Parent/Guardian "Yes" or "No" so kindly let us know your selection for this survey if you haven't done so.

Any interested 7th grade RCA students wanting to join Skyview Middle School on their DC & Philadelphia Trip next school year? There is a parent meeting coming up that you will want to attend! Must be a current 7th grader and going into 8th grade next school year!

Kenai Peninsula Borough School District Symptom-Free Schools Protocol

The KPBSD Symptom-Free Schools Protocol reviewed and updated August 16, 2023

The purpose of this protocol is to provide a learning environment that is as free of illness as possible, so students and staff of all health levels can participate in school without fear. By extension, this will also promote the safety, health, and welfare of our communities. This applies to students, staff, parents and guardians, volunteers, and any school visitors.

When to Stay Home from School

Stay home if symptoms include:

- Active vomiting or diarrhea
- Fever, chills, generalized body aches. (Fever threshold will constitute 100.0 degrees Fahrenheit or higher without use of fever-reducing medication like Tylenol or Ibuprofen.)
- Any other symptoms: fever, cough, shortness of breath, chills shaking with chills, muscle pain, runny or congested nose, headache, sore throat, or new loss of taste or smell
 - Parent, guardian, or individual may consider contacting their health care provider or Public Health
- Taking the first 24 hours of antibiotic treatment
- An undiagnosed, new and/or untreated rash or skin condition

When to Return to School After Illness:

- May return when fever-free for 24 hours without medication
- May return after taking antibiotics for 24 hours
- May return after free from vomiting for 24 hours
- May return after free from Diarrhea(2 or more bouts) for 24 hours
