A Message from Principal Shea

Hello River City Academy Families!

It is that time of year, **After school tutoring** will be starting up! Over 40% of the school only have one or fewer classes to catch up in and 21% of those are completely caught up in all classes, which is a great improvement over this time last year! However, that means that half of the school would benefit from some direct support with an after school tutor. Tutoring days will be announced in newsletters and during Monday Morning Meetings at school. Students who want to participate in tutoring must sign up ahead of time and list the project, PFA, checkpoint, or assessment they hope to complete. The first tutoring day will be **NEXT WEEK: Wednesday 3/6 2:30-4:30**
