A Message from Principal Shea

Exploratories will be hosted at RCA December 16th- 20th

RCA does not have traditional elective courses, exploratory classes ensure high school students will receive P.E., Health, Art, and Elective Credits that they need to graduate. The classes are student interest driven and give students a direct say in how they meet needed standards. These are not just FUN classes, they are important classes that are **FUN!!** All grades will be participating for the whole week in Exploratories. Some of the classes will have fees to cover the cost of materials.

If you would like to volunteer to help out during exploration week please email me snash@kpbsd.k12.ak.us

Volunteers will need to have approved volunteer background check done through our school district to participate. Look out for more info in upcoming newsletters!
