## A Message from Principal Shea

### Our Student-Led Conferences are coming up on February 13th and 14th!

These conferences are a great opportunity for students to showcase their progress, reflect on their learning, and set goals for the future. Students will work with their mentors to schedule a time that works best for your family.

We look forward to celebrating successes and collaborating to support your student's growth. Thank you for being an important part of our RCA community!

Gradient has answered our requests with a tool to see student progress on one page! We will be showing students this week and roll out a video for parents next week!
