

Seward picked up seven (7) new positive COVID-19 cases in the last three days and it appears as if the community is trending upwards. Kenai Peninsula Borough School District Leadership is allowing us to continue with our January 31st production, however, our actors would be required to wear masks.

As you know, much of the meaning communicated through acting, is that which is conveyed through body language and facial expressions. It's just not the same with masks. Because of this, and with great sadness, we've decided to cancel the January 31st drama production of "West of Pecos."

The Seward High secretarial staff has already communicated with the Kenai Peninsula Borough School District's Accounting Department and has a plan to reimburse everyone who purchased advanced tickets, through our RevTrack system. Your purchase will be reimbursed to your card within 7-10 business days.

If you purchased tickets and do not receive a reimbursement, and/or if you have additional questions or concerns, please don't hesitate to call me directly at (907) 224-9066 or send an email at twalker@kpbsd.k12.ak.us.

Finally, Seward High and the Drama Department are working hard to prepare a performance for Spring 2021. Please continue to do your part to mask up, avoid large gatherings, keep your distance and social bubbles small, and keep your hands sanitized so that we can offer this production to the entire community.

Thank you,

Treva Walker, Principal
Seward High School
