

HISTORY IN THE MAKING

The 2020-2021 school year is one for the books!

This year has been very unique for Seward High School. We are thankful that some traditions will remain the same this year, especially the yearbook. We are working hard to include all of your stories in the yearbook. This book is documenting what it is like to be a student during the pandemic, and you are going to want a copy of it! Please make sure to pre-order your book to guarantee you will receive your copy.
