About the Survey

Who's taking it?

All Seward students in 7th through 12th grade are invited to take the Seward Youth Survey.

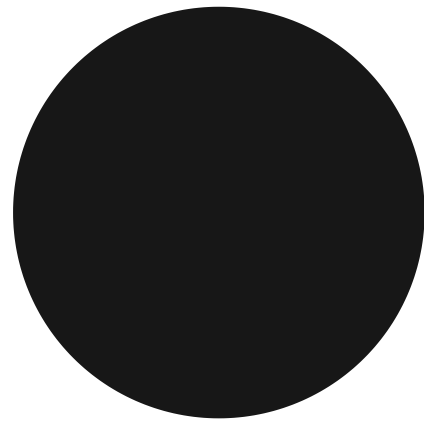

Why are we taking it?

Your community wants to learn what life is like for young people here and how we can make life better & healthier for kids & teens.

How long does it take?

The survey takes about 15-25 minutes to complete . You can use any device - computer, phone or tablet. Take your time and ask your teacher if you have any questions.

Confidentiality

Who will see my answers?

NO ONE will have ANY WAY to trace your answers to you.

Computer programs will tabulate data from all the surveys, your name will not be attached to any of your answers.

Data will be looked at as answers from ALL Seward students, not individual students..

What if I have questions?

Your teachers will be here to answer any questions you may have as you complete the survey.

What do I do when I'm done?

When you've finished the survey, you will have the opportunity to enter your name into a drawing for a chance to win a \$50 gift certificate to a local business of your choice. This will NOT affect the confidentiality of your answers.
