

Kenai Fjords

National Park
National Park Service
U.S. Department of the Interior

Youth Conservation Corps (YCC)

Want to put the “youth” in Youth Conservation Corps?

Kenai Fjords National Park is offering some unique summer employment opportunities to teens. This program is open to all applicants ages 15 through 18. These positions are designed to give students the background they need to pursue a variety of jobs in the future. It is a great way to learn new skills and begin building a resume. Participants are encouraged to apply for uniformed positions in the park following their YCC year.

Applicants must have parental consent to participate in the program. This is a paid position. Enrollees will work for 10-12 weeks beginning in late May and ending in early August. Applications are due by March 11, 2022.
