

SEWARD SCHOOLS SITE BASED COUNCIL BYLAWS

Section I **NAME:** The name of this organization shall be Seward Schools Site Based Council (“SSBC”).

Section II **MISSION STATEMENT:** Public school students in Seward area will matriculate in three schools before graduation. As SSBC, we believe unity in comprehensive development of area school programs is essential. In that regard, the SSBC recognizes the schools in the Seward area as a single site. We believe the strongest forum to best develop improvement plans for the Seward schools is one comprehensive SSBC. We believe Seward schools need to develop in a unilateral direction that promotes a continuum of educational studies. We believe that our schools develop the strongest programs and have the broadest consensus by having one site based council, with fair representation from all schools, working as one decision making team.

Section III **DECISION MAKING:** Decisions are made by consensus. Consensus is achieved when (1) all points of view have been heard and (2) the will of the group is evident even to those who oppose it. Consensus is a decision that has been reached when most members of SSBC agree on a clear option and the few who oppose it believe they have had a reasonable opportunity to influence that choice.

A quorum must be present to have a consensus. A quorum is defined as more than 50 percent of filled positions. When consensus cannot be reached, the SSBC may elect to decide by majority vote. Members should represent their constituencies. Once consensus or a vote has been reached, members are responsible for supporting and explaining the decision process.
